Leírás | Description

The Twist is located in the centre of the XIII. district, on the crossing of Váci Út and Róbert Károly krt. The building sits above the Árpád hid metro, a major interchange for the city's bus and the tram network.

Beautifully landscaped squares, smart cafés, bars and shops surround- places of activation and stimulation. This extraordinary design will become a landmark that enhances the area and becomes a symbol for the city's continued growth and commercial success.

The ground floor and first floors host The Twist experience-unparalleled services, amenities and resources tailored to suit the most demanding of occupiers. By bringing life to work, The Twist is bringing life to work. The Twist is not just an iconic, elegant office building but a convergence of people and place.
